## BEST BET

R4 20:01

**1** Barcia Quality  
T: Darryl Thomas

**The Hounds Says:** May well be the next big thing if she progresses through the grades. 2 for 2 at Rich (sprint) and Gardens 400m. Sizzling times and huge buffer of 10.25L in each

## BEST VALUE

R3 19:42

**7** Bradman Best  
T: Bradley Field

**The Hounds Says:** Should be nearing peak fitness after 2 runs back and this looks an ideal target for Bradman to raise the bat. Clearly the talent factor, all things being equal.

### R1 LADBROKES EASY FORM MAIDEN FINAL Maiden Series F

Maiden 400m 18:56

Some promising young blood going around in this competitive Final. Novice conditioner has the 2 fancies - a great achievement! DOING TIME (8) was awesome in fastest heat on debut and the pink looks perfect for this promising pup. Kennelmate ABLE MASTER (1) was great in his heat and lost at tenth running off on home corner. BALBOA (6) a contender!

Tips **8 1 6 4**

### R2 COSMIC BONUS @ STUD 0-3 WINS Mixed 565m

19:21

Some of these are new to the trip and a query. Those proven over the distance run it a solidly, but not brilliantly! ZIPPING RILEY (4) might be the exception? He has won 3 from 4, oozes class - and going by his brilliant Gardens 29.54, he will eat up the trip. LAZZERETTI (3) is in rare form winning past 2 and is strong. MY THREE FABIO (8) drawn A1.

Tips **4 3 8**

### R3 LADBROKES SPLIT MULTI HEAT 1 1-4 Wins H 5th Grade 400m

19:42

With his fitness levels improved, BRADMAN BEST (7) gets his opportunity to regain winning form. This bloke is an immense talent when on song, so let's hope he is able to get back to the form he displayed in in his career. MR DOO (1) is handy and whilst not a tight fencer, his early pace will help him utilise the alley. GAS FLAME (8) most consistent

Tips **7 1 8**

### R4 LADBROKES SPLIT MULTI HEAT 2 1-4 Wins H 5th Grade 400m

20:01

Plenty of interest here, with the appearance of potential superstar, BARCIA QUALITY (1). Phenomenal the only way to describe the kick off to her career - gap jobs and flying times in both runs. Will be great to see her transition to the 1-turn circuit tonight. BUSTER HERRERA (5) is smart, so there is nice opposition and ditto for BRIGHT SPARK (4).

Tips **1 5 4**

### R5 LADBROKES SPLIT MULTI HEAT 3 1-4 Wins H 5th Grade 400m

20:19

PRINCELY SUM (1) is a talent and he could blow these off the park? But box manners are a concern - particularly what transpired last time. Has a booming finish though and the open spaces here should suit. SUPER ATHLETIC (7) seems to have it sussed. He is so consistent, but winning worries him. IMOGEN ROSE (6) a speedy girl and this is achievable.

Tips **1 7 6**

### R6 FORBESY THE RAM 5th Grade 450m

20:41

Get your motor running - the Maserati is going for a spin! Exceptional talent who reigned supreme in prestigious Grafton Maiden series, before luckless 1st go here. Atoned in style Gardens last start - not getting out of 2nd gear! Wins again with green lights. NITROGLYCERINE (2) was good here 2 back, but must begin on terms. SUNISE JENNY (4) smart.

Tips **5 3 4**

**R7** THE COMPLETE PACKAGE 5th Grade 450m

21:00

The powerful Mackay camp holds the aces here, with the two Zippings ZIPPING EVE (2) comes through strong Grafton classic behind her sibling, Maserati - and she was great in tough class last run. The testing material. KING OF HEARTS (8) is drawn ideally and strong, so might split the pair? ZIPPING YANNICK (4) must back up after a Gardens run Friday.

**R8** HAPPY BIRTHDAY TOM FORBES NG1-4 450m

21:21

A small field often can leave a frontrunner to be vulnerable, but MORE SAUCE (5) is an exceptional animal. He just gets rivals out of their comfort zone with sustained early speed and will be expected to do that again here. IMPRESS TROY (1) has the draw to provide the sternest test. RITZA WILLIAM (4) and FINEFEUIAKI (7) are the only 2 run on dogs.

**R9** MISTER TWISTER @ STUD 5th Grade 400m

21:41

Costly to punters when rolled here last week, SUPER FAB (4) will be strongly fancied to get back in the goods books by redeeming himself here. Caught deep and losing leeway on the circle was the clincher in defeat and from a softer draw now, there will be no excuses. ZAMBORA ZIPPER (7) is classy and boxed ideally, PEYTON MAY (5) better than latest.
