LONG BOMB (4) showed a lot of improvement when placed here last week and he will find this event a lot easier, so a clean getaway should see him assume control soon after box rise and score. TRIAL BY COMBAT (1) has a poor winning strike rate but she has a decent engine and she is drawn to be prominent throughout. CAN SHE HURDLE (2) gets the gun run

Rarely wins but does have a decent motor and is drawn to get all the breaks. Likely to find one or two better but is a great anchor for 2nd and 3rd in exotics

Resuming from a spell and would probably prefer a longer journey, however this isn't an overly strong race and she will get a nice trail behind the red, threat.

Awkward draw and lacks genuine early speed, however she has been placed in two of four here and with a clear passage she can maybe sneak into third spot.

Placed in only one of his past eight but his form is far better than it reads. Could cause a boil over if starts from a rails draw.

Resuming from a spell but did show some talent in his first prep. Armed with decent early pace when fit and is a strong place chance if runs.
