6 Zipping Pearson

T: John Finn

The Hounds Says: A 6-time WP winner - including a FFA victory, so was a graded cert and won accordingly in nippy 22.61 Rich romp Fri at odds on. The class factor, but new here.

2 Saucy Smile

T: Doreen Drynan

The Hounds Says: First time out to this trip and looks set to lead them for fun. Is a litter sister to Pearl Of Tahiti who displayed immense staying talent, so should run it OK.

R1 WELCOME TO GOSFORD GBOTA MAIDEN Maiden 388m

18:58

Bit of guess work here - with 2 first timers, some moderate form and long time Maidens locking horns. OUR MECHANIC (3) is well related, with littermates showing good potential on the track. So that's a plus and this is a good start point. TURBO TUXEDO (7) is long overdue and surely his turn is very soon? SWIFT CHOICE (2) may improve on the circle?

Tips 3 7 2 1

R2 WOY WOY POULTRY 4th/5th Grade 515m

19:22

An open affair, made tougher to assess as the majority need to lead to win! Settling on SILVER IMAGE (1) who gets a class drop and will rail off 1 if there isn't crazy pressure to her outside early. Kennelmate ENJOY YOURSELF (8) is well boxed wide if he steps with them. What transpires into the corner determines his fate. SEYMOUR ANDO'S (2) value.

Tips 1 8 2 6

R3 BEAST UNLEASHED AT STUD 5th Grade 515m

19:42

Nice depth in this contest. ZIGGY STARDUST (4) loves the Central Coast - he is unbeaten in 3 runs here. He will spot a start to some of his main rivals, but look out late if he gets clear air to wind up. ZIPPING ANTHEA (2) is a talented free-wheeler and despite her lack of local knowledge, will be tough to beat if she leads. ALL NOSE (3) for multis

Tips 4 2 3 7

R4 THANK YOU GOSFORD STAFF 5th Grade 515m

20:06

Happy to take the punt with HARD CASE WATSON (1) here to topple the more fancied runners. He was strong late up the straight Richmond Sat and his circle wins over shorter trips are nice. Chance if he runs the journey out. SANDAVE DIAMOND (5) is a talent and could tear these up if he lands the lure. Must step on terms. CHIEF SUNDANCE (3) also a hope

Tips 1 5 3 6

R5 SHEARER FAM BAM Non Graded 710m

20:30

ZIPPING NEBRASKA (6) sights Gosford for the 1st time, but she is a stayer of immense potential and watch her charge if she gets clear running and handles the place. TIMELY FASHION (7) is another destined for better things and knows the track well. Will race much more prominent than main rival. BLAZING CARTIER (2) is a heady half-miler. Good hope.

Tips 6 7 2 1

R6 REX'S BURGERS HERE NOW 5th Grade 603m

20:55

Good depth in the 2nd of the middle distance events. HOW GOOD (5) is a real versatile chaser, with wins ranging from 400m up to the 503m here. Has a potent blend of speed and strength. Just needs luck off the squeeze. CROWN THE ZIPPER (8) needs the rail, so will rely on luck. But is strong. VIVARCHI (2) is a hardened chaser and adds some value here

Tips 5 8 2 1

R7 SIRES ON ICE 5th Grade 603m

21:15

Track knowledge and the advantage of racing on the pace sees SAUCY SMILE (2) go on top here. She is well related to handle the added journey and was good late in a sprint here last week. ZIPPING ALABAMA (8) has stayer written all over her and if she can offset her newness and the bad draw, well watch out! MEAT PIE HERO (1) likes it here and boxed.

Tips    **R8** HAPPY 50TH BIRTHDAY GI Non Graded 515m

21:35

EBBY JET POWER (2) was awesome on debut here last week - offsetting a slow start and newness. Capable of much quicker if he nails the jump. INCAPAICATED (6) made the Cup here and ran a breath-taking time in heat. One of the state's strongest dogs. TARAWI HARLEY (8) is also powerful and clever in a field. FIRE ON ICE (1) class personified. Top race

Tips    **R9** CENTRAL COAST LOCKSMITHS 4th/5th Grade 388m

21:55

Winning 1st look is no easy task, but class carries dogs a long way. ZIPPING PEARSON (6) lacks local know how, but his talent can get him home. A FFA city sprinter, he was a hollow sprint victor Richmond Friday and just needs level luck to score again. KING KINLOCH (4) has to go into the exotics, because he just does! HELL'S GATE (5) needs to ping.

Tips    **R10** AQUASPLASH 5th Grade 388m

22:13

Unless the great uncertainty of racing comes into play, there looks only 4 winning hopes here! BARTY PARTY (4) is the benchmark, as her Gosford form is excellent and she will land a nice forward spot from the outset. LET'S GO HORNETS (8) motors late, but needs luck early to find a stalking spot. JILLIBY EMMIE (3) sparingly raced, but is speedy.
