SUNSET SAL (2) has lacked explosive pace last two goes over this but has ability and could bolt out and improve from draw. KERMADEC (4) lightly raced recently and tricky draw but has sped round this and must be considered. ROY RIP (7) unspectacular last few runs but can fly when at best and gone well wearing black rug previously. Keep in mind.

Better run beaten 2.75L over 392m at TAR on Wed but struggled to be competitive last few starts. Unplaced 2/2 from alley so far and others look more appealing.

Improved run albeit beaten 5.25L by speedy winner over this last start. Handy over trip, including decent 21.91PB and gone nicely from draw. Don't rule out.
