Typically open Pathways contest. DOZER MULWEE (6) lacked zip recently but speedy 24.97PB over this and had several good runs in his time. DEFIER (5) way below-par since resuming in June but good overall record and could lift against these. AWOKEN (7) won over 340m Jul 29. Lacked zip so far but can place. TRALEE DIESEL (3) also podium hope,

Mixed start to career but saluted over 340m here Jul 29, albeit fair time. Had it tough from out wide so far and tested by this trip but could sneak a place.

Resumed beaten 6.5L over 340m at TAMW last start. Unspectacular last few goes at this and found it hard-going from out wide. Another who looks tested.

Yet to go over this. Placed over 340m here Jul 23 but lacked notable pace over shorter recently and modest overall record. Not for me if gets a run.
