Yet to win at this 710m but ran some good races in top fields at the trip. Not a lot of depth in this field. One of the best chances.

Having its first start at this trip here. Hasn't had that many starts and has worked up a decent winning strike rate. Some handy ones in this. Add in exotics.

Having its first start at 710m. Risky beginner but can lead on its best getaway. Runs 600m out well but still a query at this trip. Watch betting.
